

## RINSE ADDITIVE

**LYNX RINSE ADDITIVE** is a rinse additive designed for use with injection pumps or in manual wash and rinse operations. Provides spotless drying without wiping.

**DIRECTIONS:** For best results use ¼ to 1 ounce per 6 gallons of hot rinse water.

**CAUTION:** Keep out of reach of children. It is recommended that protective gloves and safety glasses be worn when using this product. Make sure there is adequate ventilation. Refer to M.S.D.S. and product label for additional safety information.

### TYPICAL PROPERTIES:
